

Kyaw Pyae Phyo

FULL-STACK DEVELOPER

Phone: +959983683732 (WhatsApp, Telegram, Viber)

Web: kyawpyaephyo.dev

Email: mgkyawpyaephyo@gmail.com

Summary

Full-stack Developer with 6+ years of hands-on experience in full stack web application development and software product delivery. Specialized in ASP.NET, C#.NET, React.js, JavaScript, jQuery, HTML, CSS, MS SQL, and modern stacks (Remix, Next.js, Node.js, AWS, PostgreSQL). Additional expertise in mobile app development using Flutter. Proven leader in managing and mentoring development teams, conducting code reviews, and translating business requirements into robust technical solutions. Strong analytical, problem-solving, and communication skills, dedicated to building scalable, high-quality products.

Work Experience

Senior Full-Stack Developer / Team Lead eTrade Myanmar Co., Ltd.

Apr 2024 – Present

- Designed and developed real-time football live score, Quiz, streaming, and social lifestyle platform (app, web CMS, and backend) using ASP.NET, C#.NET, React.js, Next.js, Remix, Typescript, Tailwind CSS, and MS SQL Server.
- Built pixel-perfect, responsive web and mobile apps matching Figma designs, ensuring optimal user experience across devices.
- Architected real-time, data-intensive backend systems and internal/external RESTful APIs with high performance and scalability.
- Led development team and ensuring timely delivery of project milestones. Conducted thorough code reviews and mentored 2+ developers on design, architecture, and best practices. Collaborated with stakeholders to translate business requirements into technical solutions. Provided technical support and troubleshooting in live production environments.

Senior Mobile Developer app.com.mm (Hap Eye Co., Ltd.)

Jan 2024 – Apr 2024

- Built multiple e-commerce applications with high fidelity to Figma design.
- Contributed to mobile app features using Flutter, shipped multiple apps to the Google Play Store and App Store.
- Collaborated with cross-functional teams in an Agile environment, delivering on schedule.

Senior Mobile Developer / Mobile Team Lead Efficient Soft Co.,Ltd

May 2021 – Jan 2024

- Contributed to mobile app features using Flutter, shipped multiple apps to the Google Play Store and App Store.
- Collaborated with cross-functional teams in an Agile environment, delivering on schedule.
- Led technical interviews and mentored 3+ junior Flutter developers on architecture best practices.
